

# ORLANDO

Florida Institute of Technology (FIT) is a leading university on the East Coast of Florida, originally founded in 1958 and with close links to NASA at Cape Canaveral. The FIT is located in 130 acres of beautiful tropical gardens boasting fantastic on-site recreational facilities. These facilities include a swimming pool, sculptured gardens, baseball and softball pitches, an arts complex and a theatre. The large, comfortable residence offers apartment-style accommodation on campus in a modern building.

Orlando, with its wide range of exciting theme parks including Disney World and Universal Studios, is only an hour away. Students can enjoy excursions to these great theme parks every week. There will also be time during the week to relax on some of the world's best beaches.
